

Side-by-Side Comparison

Login Process

Basic Version (login.php)

```
session_start();

if ($_POST['username'] == 'john' && $_POST['password'] == 'secret') {
    $_SESSION['user_id'] = 1;
    $_SESSION['username'] = 'john';
    $_SESSION['logged_in'] = true;
    header('Location: welcome.php');
    exit;
}
```

SessionAuth Version (login.php)

```
require_once 'SessionAuth.php':
```
